Northwestern University

**Approved Distribution Courses - 2025-2026**  
**Area I - Natural Sciences**  
updated 2/5/2026

**Be sure to read these important notes:**

**The information below pertains to students who started at Northwestern Spring 2023 or earlier.** Students who started taking classes at Northwestern after Spring 2023 should refer to the Foundational Disciplines pages:

<https://weinberg.northwestern.edu/undergraduate/degree/post-spring-2023-degree/foundational-disciplines/>

**Prerequisites.** Many approved distribution courses are advanced courses with one or more prerequisites. Prerequisites are listed in the Undergraduate Catalog and in course descriptions available through the Registrar's webpage. Make sure you have the prerequisites for a course before you decide to enroll.

**Interdisciplinary courses.** Some interdisciplinary courses are approved for inclusion in more than one distribution area. ***These courses are listed in bold and italics below***, and all relevant areas are indicated in the "area(s)" column. If you take such a course, you can choose in which eligible area to count it.

**When courses are offered.** This list includes all courses approved for distribution credit for the indicated academic year. The Registrar's Office maintains lists of distribution courses to be offered each quarter, as well as Yearly Course Planners showing each department's planned course offerings for the year. **Some approved courses may not be offered.**
